Dear Supervisors:

**SUBSTANCE ABUSE OFFENDER TREATMENT PROGRAM GRANT AWARD  
FROM THE STATE DEPARTMENT OF ALCOHOL AND DRUG PROGRAMS  
(All Districts) (4 Votes)**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Authorize the Director of Public Health, or his designee, to accept forthcoming Fiscal Year (FY) 2006-07 Substance Abuse Offender Treatment Program (OTP) grant award from the State Department of Alcohol and Drug Programs (SDADP), in the amount of \$7,900,552 for the Department of Public Health (DPH or Department) Alcohol and Drug Program Administration (ADPA).
2. Delegate authority to the Director of Public Health, or his designee, to accept and execute any subsequent amendments to the FY 2006-07 OTP grant, which do not exceed 25% of the total amount of the grant, subject to review and approval by County Counsel, Chief Administrative Office (CAO), and notification of Board offices.
3. Delegate authority to the Director of Public Health, or his designee, to accept future fiscal year OTP grant awards from the SDADP for FYs 2007-08 and 2008-09, and any amendments thereto which do not exceed 25% of the total amount of the grant for the fiscal year, subject to review and approval by County Counsel, CAO, and notification of Board offices.
4. Delegate authority to the Director of Public Health, or his designee to offer and sign amendments to existing ADPA Proposition 36 agreements (Exhibit I) to increase each maximum obligation, not to exceed 25% of the annual allocation, thereby maximizing utilization of OTP funds for FY 2006-07 through FY 2008-09.

5. Approve the attached appropriation adjustment in the amount of \$2,438,000 for FY 2006-07 to increase ADPA's budget.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTIONS:

Approval will delegate authority to the DPH to accept OTP funds from SDADP for FYs 2006-07, 2007-08, 2008-09 and amendments up to 25% of the annual award, delegate authority to increase existing Proposition 36 agreements up to 25% based on the OTP funds, and approve an appropriation adjustment for FY 2006-07.

On October 9, 2006, DPH-ADPA submitted an application for OTP funds to SDADP. At that time, SDADP allowed counties to submit the application with a draft of the Board action, if an approved action was not available. However, counties are required to provide confirmation of Board approval before funds can be released. Part of the application requirement was to provide verification of the County matching funds.

On November 13, 2006, SDADP advised DPH-ADPA about the approval of its application for OTP funding. The SDADP has awarded Los Angeles County a total of \$7,900,552 for Fiscal Year 2006-07 in order to provide services for the OTP program. An appropriation adjustment is needed in order to add \$2,438,000 to DPH-ADPA's budget for Fiscal Year 2006-07.

FISCAL IMPACT/FINANCING:

SDADP has awarded Los Angeles County a total of \$7,900,522 to provide services under the OTP program. The SDADP requires Los Angeles County to provide matching funds of \$877,839 using local penalty assessment funds from criminal justice referrals in the amount of \$477,839 and client fees in the amount of \$400,000. Local penalty assessment funds from criminal justice referrals and client fees will be used to satisfy SDADP's requirement. The use of local penalty assessment funds as matching funds is allowable and consistent with discussions DPH-ADPA has had with SDADP. A corresponding appropriation adjustment will be made to increase ADPA's budget to the OTP grant award.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS:

The initial five years of funding appropriated for Proposition 36, the Substance Abuse and Crime Prevention Act (SACPA) of 2000, ended on June 30, 2006. Over those years, the Department, as the lead agency for Proposition 36, had implemented the five-year plan using a collaborative approach involving the Superior Court, District Attorney's Office, Public Defender's Office, Probation Department, California Department of Corrections and Rehabilitation, and community-based treatment providers. As previously described to the Board, and in accordance with the approved plan, because of the State approval to use savings in early years for program services in later years, the amount necessary to keep Proposition 36 treatment and program services intact was greater than the amount received in FY 2005-06.

In approving the State's 2006-07 budget, the Legislature funded the basic Proposition 36 program at the level of \$120 million statewide, with an allocation of \$30,983,532 for Los Angeles County. The State approved an augmentation to Proposition 36 funding in the OTP program, structuring it as a separate grant with a separate application and a matching requirement. Attached (Exhibit I) is a list of agencies currently contracted to provide Proposition 36 services.

In 2006, AB 1808 (Budget Act) was passed. This bill established OTP by adding Health and Safety Code Section 11999.30 et.al. The FY 2006-07 Budget Act also appropriated \$25 million for OTP. According to SDADP, these funds must be used to serve offenders who qualify for services under SACPA (Proposition 36). The goal of OTP is to improve SACPA program outcomes and offender accountability.

The OTP Statute authorizes SDADP to distribute funds to counties that demonstrate a commitment of ten percent (10%) county match. Counties were required to use county general fund or funds from a source other than State funds. Counties were prohibited from using any funds distributed to the counties by SDADP, and any other funds received from the State. Current legislation will be inoperative on July 1, 2009, unless a later-enacted statute that deletes or extends that date is enacted before July 1, 2009.

On May 30, 2006, the Board approved renewal of 96 alcohol and drug services agreements for the provision of program services to Proposition 36 clients, effective July 1, 2006 through June 30, 2007. Funding for these services is offset by Special Revenue funds made available through the SACPA of 2000.

On August 14, 2006, SDADP issued an All County Lead Agencies (ACLA) letter to determine the level of interest and ability of counties to apply for funds under the Substance Abuse Offender Treatment Program (OTP). Counties were required to submit a Letter of Intent (LOI) to the State by August 25, 2006, if they intended to apply for OTP funds. On August 21, 2006, DPH-ADPA advised SDADP about its intent to apply for \$9,295,059 funding from OTP.

On October 9, 2006, DPH-ADPA submitted an application for OTP funds to the SDADP. At that time, SDADP allowed counties to submit the application with a draft of the Board of Supervisor action, if an approved action was not available. However, counties are required to provide the Board action before funds can be released.

Approval of the requested actions will satisfy SDADP's requirement for the release of OTP funds.

#### CONTRACTING PROCESS:

It is not appropriate to advertise receipt of grant award, authority for budget adjustment, and verification of County matching funds on the Los Angeles County Online Web Site.

IMPACT ON CURRENT PROGRAM SERVICES (OR PROJECTS):

Alcohol and drug services for Proposition 36 clients will continue without interruption throughout Los Angeles County, and the total amount for treatment of clients will be closer to the level reached in FY 2005-06. There will be no impact on current services to Proposition 36 clients.

When approved, this Department requires four signed copies of the Board's action.

Respectfully submitted,
